

WANT TO HELP LOVE & CHARITY COLLIDE?

Stars Align - A Stranger Dating Experience with a Psychic Twist

In support of Children's Health Foundation

Hi!

I'm Tammy Belaire of 1 Breath Photography, and I'm putting together something a little different in support of Children's Health Foundation.

Stars Align will match max 25 pairs of complete strangers for individually photographed chaperoned first dates around London. Later, everyone comes together for our **Viewing & Voting Party**, where we'll watch their dates unfold, vote for our favourites, eat, laugh and raise money for Children's Health Foundation.

But I don't want the party to feel like another fundraiser with a row of vendor tables.

I want people DOING things.

Instead of simply setting up a table and handing out business cards, I'm inviting local businesses to create a tiny **interactive dating experience**.

Photographer: Teach people how to pose naturally with a date.

Artist: Have strangers attempt to draw each other.

Chef/Baker - "Taste Test for Two": Blind taste challenge or decorate one cookie together.

Dance Instructor - "60-Second Chemistry": Learn three ridiculously easy dance moves with a stranger.

Dating/Relationship Coach - "Would You Rather?": Draw conversation cards designed to get beyond small talk.

The sillier, sweeter or more interactive, the better.

Your experience should give people a reason to stop, laugh, talk and remember your business.

And yes - you're absolutely welcome to promote what you do while you're there!

SPONSORSHIP

Financial sponsorships or services in kind would be joyfully accepted.

Sponsors could help us offset event expenses or provide things that make our couples' dates and Viewing & Voting Party even better - food, decor, printing, transportation, entertainment, experiences, prizes or other services.

GIVEAWAYS & DATE EXPERIENCES

I'd love to surprise our couples and guests with memorable experiences.

Think restaurant certificates, theatre tickets, cooking classes, spa experiences, local adventures, hotel stays, entertainment, classes or creative date-night packages.

SILENT AUCTION

We're also looking for fun items and experiences for our silent auction.

Gift certificates, baskets, experiences, services, tickets, merchandise and unique local offerings would all be gratefully welcomed.

WHY JOIN US?

This isn't about putting your logo on a table and hoping somebody notices it.

It's an opportunity to let people **experience your business**.

Give them something to talk about. Give them something to laugh about. Give them an idea for their next date.

And while we're creating a room full of connections, we're also raising money for an organization that means an incredible amount to families in our community.

Children's Health Foundation has approved Stars Align as a fundraising event, and every dollar we're able to raise matters.

If your business would like to participate as an interactive experience, sponsor, giveaway contributor or silent-auction donor, I'd love to hear your ideas.

Sometimes the best connections happen when the stars align.
